

Paracombe Primary School

Site Improvement Plan

Vision:

Students are supported to actively learn, thrive and be respectful, innovative risk takers. Learning is personalised incorporating "Now, New, Next".

Goal 1:

Demonstrate Mastery of mathematical skills through articulation and transference.

Goal 2:

Increase achievement in English high bands focusing on reading and writing.

Through community we thrive...

Actions:

- Design learning using DfE resources.
- Learning is sequential and students have opportunities to self assess and monitor own progress.
- Use of number talks.
- Staff work collaboratively, engaging in reflection and peer moderation.
- Engage in Orbis PD.

Actions:

- Design learning using DfEE resources.
- Leaders observe balance of student Vs teacher talk and provide PD.
- Incorporate student talk around literature and factual texts.
- Provide explicit feedback to students.
