Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
